Re: **Transportation Fee Applications for 2017-18**

Date: 06/01/2017

We are happy to confirm that the EUSD will again provide bus transportation for our students next year and we look forward to your participation in the program. EUSD has been fortunate to maintain this service even though it is not fully funded by the State and we have not received increased funding from the State for this program in several years. In the interest of continuing to offer **the safest and most economical way to transport students**, the EUSD continues to support this program as a priority, as it directly affects the ability of some students to attend school regularly and on time, and provides the opportunity for cost effective field trips which enrich the educational program.

**NEW THIS YEAR – FREE TRIAL PASS!**

For those families who have not participated in the past – we encourage you to consider using the safest method of transportation to/from school – the big yellow school bus! In addition to safety of the riders, there are added benefits to using the buses, including significant mitigation of traffic congestion at school sites, which contributes to school safety and a “greener” environment. **The district will be offering a 30-day trial pass** which can be used at the beginning of the school year, with regular pass pricing available thereafter. This is first come/first serve and will be limited to space available on existing routes so be sure to get your Bus Fee Applications submitted early. The passes will be valid through Friday 09/29/2017, and are only available upon submission and approval of a Bus Pass Application.

**DISCOUNTS AVAILABLE!** Please note that completed applications for annual full day passes submitted **on or before Wednesday 07/19/17 will receive a 10% discount.** In addition, if your completed application is submitted by this deadline, your name will be entered into a drawing for a **free annual pass** for the new school year. A substantial discount will continue to be offered for families with more than 2 students purchasing annual passes – 50% discount for the 3<sup>rd</sup> child and no charge for any additional children.

The daily cost of an annual bus pass is now \$1.89 (\$1.70 with early purchase discount), continues to be affordable and very comparable to driving a student to/from school, as estimated in the following sample calculation:

**Sample Calculation of Cost to Drive:**  
**(not including parking lot inconvenience or lost time due to congestion)**

3	2	2	180	25	3.65	\$ 315	\$ 340	\$ 850
one way miles	round-trip	a.m./p.m.	days of school	miles @ gal	\$ @ gal	Sample annual cost of driving	Cost of Single Annual Pass	Max cost of Family Annual Pass

**NEW PAYMENT OPTIONS!** The District is currently in the process of implementing an on-line payment system for bus passes through the MySchoolBucks (MSB) portal, similar to the lunch program. Updated information about account setup and access will be posted on the Transportation website as it becomes available. Important – Please note that the Transportation account MSB will be separate from the lunch program as those funds are held by the Roseville JUSHD. Currently, the Transportation Department is still equipped to accept credit card payments (limited to one-time in-full payments) but we strongly encourage the use of the MSB once it is available. Credit card information will only be accepted on the application or via e-mail -- no credit card information to be exchanged over the phone. Please do not submit Transportation applications or payments to the school sites as delays may occur in processing. Cash payments must be made in person at the Transportation office.

Printable PDF Bus Fee Applications and other information regarding process of obtaining passes and general operational policies of our Transportation Department may be accessed on the district website at <http://www.eurekausd.org/Departments/Transportation/index.html>. To expedite processing, please e-mail the completed applications to [buspass@eurekausd.org](mailto:buspass@eurekausd.org) or they may be mailed or submitted personally to the District Transportation Office at 5461 Eureka Rd, Suite #2 (behind the District Office). Office hours will be posted on the website, as they may vary between the school year and summer. Submitting your application and payment well in advance will ensure that your student(s) have access to their passes on Class Assignment Night(s) so that the first day of school on 8/16/2017 is very smooth. Passes not picked up at Class Assignment Night will be available from the driver on the student's assigned bus; bus passes will not be mailed.

New routes will be posted as soon as available during the summer, and existing routes are available for review. Please note that these are the basic structures of the routes, and stop times are subject to change throughout the year depending upon ridership.
