

# MATHS

**COMMON CORE MATH  
EXPLAINED!  
HELP YOUR CHILD  
MAKE SENSE OF  
MATHEMATICS.**

November 21  
6:00 – 7:30 pm  
OAK/RV MPR

Come join us for a presentation on the what, why, and how of Common Core Mathematics. We will eliminate myths about how the brain learns math! Parents will explore ways to help their kids gain confidence and find success with Common Core Math!

*-presented by Connie Chen and Callie Cramer*

Thank you to Eureka Schools Foundation for its continued support of our parent workshops.
