I certify that my child does not have internet access in the home, and the EUSD hotspot will be the sole source of my student’s in-home internet access. I understand that my child will receive a device along with access to the internet for academic purposes. I understand that my child must comply with the school’s and the district’s Acceptable Use Policies. I understand that EUSD does not have the ability to monitor student access outside of the school property.

I further understand that the device must be returned when requested by the district in the condition it was received. This device remains the sole property of EUSD and EUSD will be notified if stolen or damaged. Failure to return the device and its peripherals (plug/cord) will result in an equipment charge of \$99.
